Important features

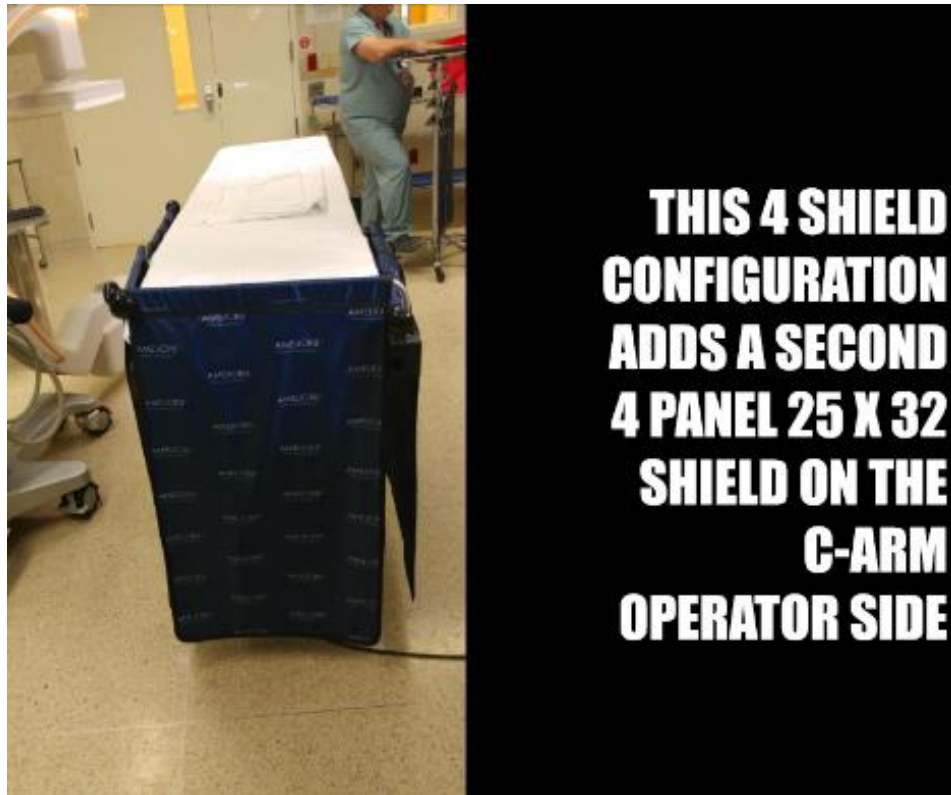

- 1- System can easily be customized
- 2- Shielding can be utilized from front table edge or rear table edge
- 3- Custom wall holder for convenient storage and productivity.
- 4- Custom travel stand can accommodate 3 rooms at 1 time
- 5- No installation construction costs.
- 6- Doesn't require any floor space – or add to ceiling clutter.
- 7- Shield Support Blocks either attach to the Table Rails, or Table top.

This provides the minimal coverage for the Physician. Purchasing 4 of these will all travel on 1 Cart and can be used throughout the Department.

This provides additional shielding for the Anesthesiologist. Purchasing 3 of these with the travel cart + will cover 3 rooms, and also allow for an additional shield of your choice.

This provides shielding on 3 sides. Purchasing 2 of these will all travel on 1 Cart and can be used throughout the Department.
